Treasurer's Report:

Balance is \$60,722.49 as of 7/31/2019.

The fees for the website need to be added in to the budget.

Motion to accept Dena Salloum, 2nd John Grossenbacher

Band Report:

Mr. Porter reported that band camp was successful and the kids had a lot of fun at the social activities.

Dena and Heather fitted the uniforms.

The band is ready to perform for the game but has another week.

Dustin Wallace is going out to look at old piano frames to set the keyboard in as a prop.

The new staff is working out really well.

Choir Report:

Ms. Huston reported that Little Shop of Horrors auditions will be next week and vocal jazz auditions the following week.

Expenditures/Reimbursements:

None at this time

Old Business:

Nothing new to report on officers needed.

The final budget is good to go.

Unpaid band camp fees have been added to the students' school fees.

Need to start using a receipt book to track cash payments.

We lost money at Sizzle N Sounds - unsure if someone took it, made change wrong, and/or gave away products without charging.

New Business:

Dena will call Chipotle to set up a fundraiser night.

We need new members.

Mr. Porter and the football coach discussed the boosters paying admission for football players to attend a band competition. It would not be prepaid, but paid at the door.

Need volunteers/assistance for marching band. Joey Hubbard's younger brother will help. Great Houses volunteered to tow for pit line again this year. There will be bus driving practice before the 1st real trip Thursday 8/29 at 7 PM.

Other Business:

Mr. Jennings is making a new quint carrier and will let us know how to pay him back.

We will need more uniforms the 2020-2021 school year, there are a lot more incoming freshman than graduating seniors. Mr. Porter will deplete the band activity account.

Broken drumsticks needing replaced - will get \$500 for percussion to use for this.

The middle school concert will be 12/9 and the high school concert will be 12/11. The high school choir will perform at 7 and the band at 8. Angie will talk to Mr. Jados about "directing" parents at the concert. We will also talk about the boosters during the switchovers at both concerts.

Motion made to adjourn by: Heather Cox at 7:56 PM, 2nd John Grossenbacher
