Band Report:

Mr. Porter reported that the game on the 20th is the 4th game and we are about halfway through the season. The Olentangy Orange band has about 250 kids so there will be a total of about 400 band kids at the game. It's also the military appreciation game.

The OSU competition is Saturday 9/28. The kids need to report to the school as 11:45 AM for practice, will leave the school at 12:45 PM, performance will be at 4:15, will head back to the school at 5 PM, and arrive back at the school around 6 PM. The OSU marching band will perform at 9 PM; admission is included with the competition attendance.

The following Saturday, 10/5, is the competition at Westerville North, and checking with Coach Weaver to see if the football players can attend this competition.

Choir Report:

Mrs. Huston reported that she is finishing up vocal jazz tryouts.

Little Shop of Horrors rehearsals are in full swing.

Seniors in choir will be singing the national anthem at the Homecoming game.

The May concert has been changed to 5/11/2020.

Expenditures/Reimbursements:

None at this time

Old Business:

Nothing new to report on officers needed.

Band volunteers are needed.

New Business:

The Chipotle fundraiser will be on a Wednesday. Homecoming week is not a good time to do it. Heather will have the school secretary announce it and email the group.

Fundraiser ideas are needed - there are 72 8th grade band members and only 27 seniors graduating. One idea is to work concessions/food trucks/beer tents at local events. Another idea was to have a gift wrapping station for the holidays.

Other Business:

Communications have been an issue. The band website is regularly updated. A shared Google calendar was suggested, as well as an app called Band.

Motion made to adjourn by: Heather Cox at 7:42 PM, 2nd John Grossenbacher

NEXT MEETING: October 17th, 2019
