**Old Business:**

QuickBooks would cost \$10-\$25 per month, depending on promotions.

Heather Cox found that most local school districts use CHARMS and the cost is either \$348.00 or \$398.00 annually; there is a promotion if you buy 3 years you get ½ off of 1 year

A draft for the information booklet has been made - please bring in any ideas/comments/suggestions on it to the next meeting. During the information booklet discussion, Mr. Porter stated that parents cannot be required to volunteer like athletics because the music program is co-curricular and not extracurricular. Also, it was requested that the website pictures be updated to include choir as when only the band is pictured, parents assume the website only pertains to band parents.

The BW3 fundraiser ended.

The PJ's fundraiser earned \$500.00, the owner though it would be \$2,000.00-\$3,000.00. Jim asked Teresa to send but she did not, need to connect with the school to get the information in the announcements.

There will be a break from fundraising until next year. The Chipotle fundraiser is limited to once per year and not eligible again until August 2019.

Jami Kirkendall suggested a Five Below fundraiser.

All restaurant fundraisers go towards the trips.
